

Community Autism & Special Needs Resource Fair

Saturday, June 5, 2021 – 8:30am to Noon

Canfield Fairgrounds, Canfield, OH

The Autism Society of Mahoning Valley is seeking special needs service providers to participate in our 7th Annual Resource Fair. Service providers will have the opportunity to provide participants information about autism and disability services in the area.

This year's Resource Fair will once again be combined with our annual fundraising event. Our Autism Warrior event includes: our Valley Autism 5K, Autism Support Walk, Ninja Obstacle Course, People-Powered Tractor Pull and more! This event will bring together families that are motivated to increase awareness efforts, programming options and therapy services for their families. We expect our fun-filled, educational awareness event to be attended by many local families.

Booth space is limited, so reserve your spot today!

Start your own business or organization Team to show your support at AutismWarriorMV.org!

We are also looking for event sponsors and prize donations!
