

Empowerment, Resilience, and Community Spirit

These are the pillars of the **6th Mahoning Valley Warrior** event, set to take place on **Saturday, May 31, 2025, at the Canfield Fairgrounds**. As the largest annual gathering of autism families and service providers in the region, this event is a testament to the strength, unity, and determination of the autism community.

Our event serves as a beacon of support for Autism families while showcasing the physical toughness of NE Ohio and Western Pennsylvania athletes. We bring together a diverse range of participants, including Mahoning Valley families, businesses, and service providers who champion the cause. It also hosts the largest Special Needs Resource Fair in the Valley.

Founded in 1989, the Autism Society of Mahoning Valley has been steadfast in its mission to create connections that empower the autism community with the necessary resources to lead fulfilling lives. With autism prevalence now affecting one in 36 children, our commitment to providing essential programs and resources to Mahoning Valley families remains unwavering.

In 2024 alone, we increased our community participation, responded to innumerable support calls and emails, and hosted over 50 events. As we continue to grow, focusing on expanding programs for teens and young adults, the costs associated with maintaining our quality programming have reached over \$75,000 annually.

This is where your support becomes pivotal. By becoming a Mahoning Valley Warrior Sponsor, you can play a crucial role in sustaining and enhancing our much-needed programs. All funds raised during this event stay local, directly benefiting and empowering our families.

For further details, please feel contact me at 330-428 0579 or via email at stacie@autismmv.org.

Join us as a Community Warrior and help us continue to create connections, provide support, and empower the autism community. Your support will directly impact the lives of those affected by autism in the Mahoning Valley.

Sincerely,

Stacie Bacorn, Executive Director
Autism Society of Mahoning Valley
